## process requires internet connection.

If you have lost your software disk please reinstall using the below link. www.seaward.com/software/PATGuard\_2\_1.exe

You will need your serial number to activate the software on the new PC. This will have been on the inside cover of the DVD style software case. If you no longer have this then please follow the link below.

I've lost my PATGuard Serial Number and/or Unlock Code. What do I do?

If you require more help, please contact us at https://www.seaward.com/gb/enquire/.
