SEAWARD
ELECTRICAL SAFETY TESTING
& MEASURING.

Why has my online activation failed with error 3014 (date time error)?

The Date and/or Time on the PC is incorrect. Please correct the Date / Time on your PC and try again. You may need assistance from your IT department.

If this does not work then here is an Activation Key to allow PATGuard 2 to run with the current date setting:

aK97N-1CI43-t896k-2oMDX-GdDOb-3b5hm

Tip: Use copy and paste if possible to ensure correct key entry
