

SEAWARD

Limited Warranty & Limitation of Liability

Seaward guarantees this product for a period of 1 year.
The period of warranty will be effective at the day of delivery.

(c) Copyright 2022

All rights reserved. Nothing from this edition may be multiplied, or made public in any form or manner, either electronically, mechanically, by photocopying, recording, or in any manner, without prior written consent from Seaward. This also applies to accompanying drawings and diagrams. Due to a policy of continuous development Seaward reserves the right to alter the equipment specification and description outlined in this publication without prior notice and no part of this publication shall be deemed to be part of any contract for the equipment unless specifically referred to as an inclusion within such contract.

Disposal of Old Product

This product has been designed and manufactured with high quality materials and components that can be recycled and reused.

When the crossed out wheeled bin symbol is attached to a product it means the product is covered by the European Directive 2012/19/EU. Please familiarise yourself with the appropriate local separate collection system for electrical and electronic products.

Please dispose of this product according to local regulations. Do not dispose of this product along with normal waste material. The correct disposal of this product will help prevent potential negative consequences for the environment and human health.

User Notes

Do not connect to voltage sources greater than 30Vac or 60Vdc.

Connect only to isolated voltage sources.

To be used only by competent personnel.
